# OUR COMPANY

~~Asa pars trading co~~ have two departments named **Asa Dates & Asa Pistachio**.

**In the Asa Dates department , our activities involve production, storage, and packaging for the orders of foreign customers. This company has the capacity to supply and export 1,000 tons of dates annually. Our products in the date sector include Mazafati dates, Piarom dates, Kolotah dates, and Kabkab.**

**In the Asa Pistachios department , our activities involve production, processing, and packaging of pistachios for orders from foreign customers. This company has the capacity to supply and export 1,000 tons of pistachios annually. Our products in the pistachio sector include Fandoghi pistachios, Ahmad Aghaei pistachios, and Kalleh Ghoochi pistach.**

# OUR COMPANY HISTORY

---

**Asa Pars Group was established in 2015 by Amir Yazdizadeh. The company initially engaged in extensive commercial activities in the date and pistachio industry. Within a short period, with the assistance of many local farmers, it began production of pistachios and dates. Alongside this, the company also set up units for storage and packaging of dates and pistachios.**

**Our company has extensive commercial activities with countries such as Russia, Turkey, Pakistan, Afghanistan, and the United Emirates.**

# ABOUT ASA DATES

---

In Asa Dates, four types of dates named Mozafati dates, Piarom dates, Khlootah dates, and Kabkab dates are sourced and packaged for export purposes

In Asa Dates, the annual capacity for date supply is 10,000 tons, and one of the key factors for the success of our company is completing the entire process of date sourcing until the goods are shipped to the country.

You can contact the relevant expert, Ms. Bigi and contact with phone number and email address.
